CENTRAL INTELLIGENCE AGENCY

Dear Stan:

The attached memo is one I think worth your scanning during your trip to and from Europe.

It recaps the work being done by the Agency's Executive Advisory Group (EAG). Much of the work is exciting and fresh. In general, I am pleased by the progress to date though much remains ahead. I am particularly anxious to develop a wider degree of involvement at various levels within the Agency in developing alternatives and action programs for the future.
